Dear Mr. Thiele and Ms. Mihailova,

I have the honour to inform you that your communication dated 25 June 2011, submitted to the Human Rights Committee for consideration under the Optional Protocol to the International Covenant on Civil and Political Rights, on behalf of Ms. Naidenova et al. has been registered as communication No. 2073/2011. You are kindly asked to refer to the registration number in any future correspondence.

Pursuant to rule 97 of the Committee's rules of procedure, a copy of the communication has been transmitted to the State party today, 8 July 2011, with the request that any information or observations in respect of both the question of admissibility and the merits of your communication should reach the Committee within six months.

Under rule 92 of the Committee's rules of procedure, the State party has also been requested not to evict Ms. Naidenova et al. and not to demolish their dwellings, while their case is under consideration by the Committee. The necessity of maintaining the request for interim measures of protection may be reviewed following receipt of the State party's comments; this request does not imply that any decision has been reached on the substance of the matter under consideration.

Any reply received from the State party will be communicated to you in due course to enable you to comment thereon.

For information, I enclose a copy of the Committee's rules of procedure.

Yours sincerely,

Ibrahim Salama
